Write the Color Category from the Level I, II, III color palettes/strips that you wish to include in this order. For a Level I palette, write "All" in the Strip # space to select the whole palette (all strips within palette)—OR to select individual strips within a Level I, II or III palette, write the individual strip number. For example, if you want the 3rd strip within palette #4 Bright Tinted, you would write "3" in the Strip # column. You may combine (+) two strips ONLY if combined color swatches for both strips total 6 or less.
